

PRETORIA

The University of the Third Age (U3A) is an international movement for retired members of the community, people in the "third age" of their lives.

U3A began in France in 1972 and has spread to more than 30 countries around the world. the first chapter opened in South Africa in 2000 and U3A Pretoria was established in 2002; we currently have close to 400 members.

The aim of U3A is to encourage people of mature age to maintain their intellectual capacity and to share their own knowledge and skills through stimulating teaching and learning programmes.

Courses cover a wide range of topics from history and music to transport and science.

Interest groups meet regularly to share knowledge about art, drama, travel and much more while the walking and dancing groups provide an opportunity for physical activity.

Excursions to interesting places are popular and are a chance to explore gardens, churches or factories in the company of fellow U3A members.

U3A exists for those who haven't forgotten that learning is fun!

U3A bestaan vir diegene wat onthou dat leer pret kan wees!

Kursusse dek 'n wye reeks van onderwerpe, van geskiedenis en musiek na vervoer en wetenskap.

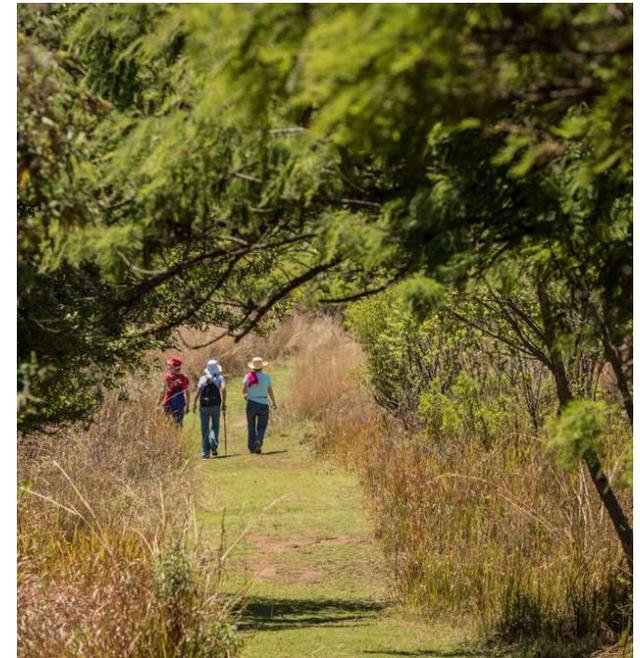

Belangstellingsgroepe ontmoet gereëld om hulle kennis van kuns, drama, reis en vele meer met mekaar te deel, terwyl die stap- en dansgroepe vir ligaamlike beweging sorg.

Uitstappies na interessante plekke is baie gewild en bied die geleentheid om tuine, kerke of fabriekke in die geselskap van mede U3A-lede te verken.
