Dear Forum members

Here we are at the beginning of a new year, and we look forward to seeing you at our monthly meetings. Our attached programme for the first half of the year, carefully curated by Irene – for which many thanks – is varied and interesting. We start with a splendid speaker on a wide-ranging and fascinating topic. Check the programme for more information.

In these days of rising prices, you will be delighted to learn that we have been able to hold our annual subscriptions to R300 for the year. Think about what R30 can buy you. (Each meeting will cost you R30). Your R30 per meeting will give you an interesting and stimulating talk plus tea/coffee and biscuits with time to meet people and socialise. It's a bargain!

It would be helpful if you could EFT the money to our Account, making sure that you give YOUR NAME as reference, NOT Tuesday Forum. Of course, if you prefer, you can pay cash at a meeting. Please make your payments by the April meeting. Our banking details are as follows:

Account Name: Tuesday Forum
Branch Code: 011245

Bank: Standard Bank
Account Number: 011803282

Guests remain at R50 per meeting. They are welcome to attend three meetings in the year, but no more than that. If they wish to attend more meetings they must join Forum.

The February meeting will begin with a short Chairman's 2024 report, followed by an even shorter financial report. Anyone who would like to know more about our finances can ask Linda for details

We have three requests. Please remember to wear your name badges. It helps such a lot to see the name of a person whom you recognise but can't remember the name of. I always suggest you keep your badge in the glove box of your car (or in your handbag if you are not a driver) so you can retrieve it, as I do when I get to Skuilkrans and suddenly remember my badge waiting patiently for me in my car! Then, our group of 'tick birds' ask you to PLEASE tick off your names with them on arrival. It helps greatly to have an attendance record. Finally, please sit more centrally in the church as it helps the speaker to have a more compact audience.

Regards and best wishes

Jenny
